

WINDOW PROJECT MANAGEMENT (WPM)

*Software That Understands Fenestration
From Enquiry - Fabrication - Installation*

One Connected Workflow

The Reality in Fenestration Businesses

Orders in Excel

Factory Updates by Phone

WhatsApp Coordination

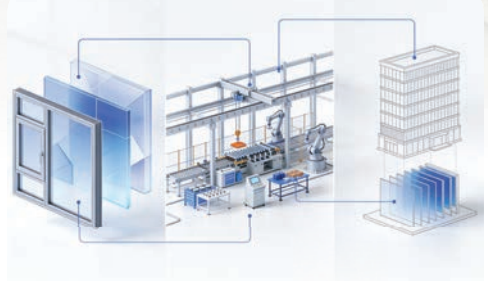

Manual Install Tracking

***Result: Operations move,
but visibility is lost.***

Why Generic ERP Systems Fall Short

- ⊞ Finance
- ⊞ Inventory
- ⊞ Accounting

Fenestration Needs

- ⊞ Window Combinations
- ⊞ Project-Based Fabrication
- ⊞ Site-Wise Installation Tracking

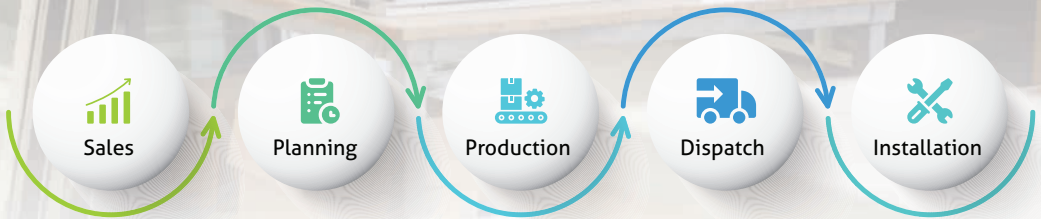

This is the gap WPM fills.

Introducing WPM

Windows Project Management for:

- 📦 uPVC Fabricators
- 📦 Aluminium Fabricators
- 📦 Project-Based Window Businesses

One platform for the entire window lifecycle

SAP Business One

Key Capabilities
